I am transitioning from commercial printing to the web. My knowledge and problem solving experience – working with graphics, computers, the printing process, web design and clients – provide a great foundation for focusing on a career as a front-end developer.

Qualifications Summary

- Effective in groups — often asked to lead and twice promoted to management.
- Have a unique ability to focus a meeting by identifying the kernel issue.
- Acquired several new skills to fill the company's needs during 13 years in printing.
- As pizza shop manager, created delivery service and increased sales over 1000% in 4 years.
- Almost universally well-liked and respected by coworkers, management and ownership.
- Excellent customer service skills, solving problems and using the right tone.

Experience

The Typesetter Corporation, dba Printex Press & Image East, Bellevue WA, 2000 – 2013
CSR, Web Designer, Prepress Technician & Network Administrator

- Redesigned Image East site, adding new content and replacing tables with CSS layout.
- Personally designed and built Printex Press site, incorporating customized order forms.
- Added skills as needs arose: web design, prepress, networking, drum/flatbed scanning, digital press operation, wide format printing/finishing and print estimating.

Lightminer, Seattle WA, 2002 – 2007

Part-owner and Web Designer

- Created, maintained and frequently updated website for craft art business.
- Produced all product photography for the site.
- Created vector-art templates in Illustrator for laser-cut components.

Additional Web Projects

- *Get Well Soon Project, 2014* — Redesign, team project with custom WordPress theme.
- *Gymwhimsy, 2014* — Created custom WordPress theme, responsive layout.
- *Gigi's Closet, 2013* — Redesign, including creating a new logo, responsive layout.
- *Walsh & Larrañaga Law* — Redesign, responsive layout.
- *Motovista, 2013* — Redesign, including creating comps in Illustrator and Photoshop.
- *Clear Cut Plastics, 2006* — Redesign based on existing site, scanned art for graphics.
- *Go-tek Automation, 2006* — Created basic contact/resume' site in approximately one week.
- *Legal Marriage Alliance of Washington, 2005* — Large (36-page) project with variable scope.
